BOAT PARTY

Boat parties have become an important pillar of Ibiza's discoteque scene and there is no complete vacation in Ibiza without having experienced at least one party at sea. In recent years, the market for boat parties has grown considerably and each promoter presents his own concept, musical genre and walking route. Ibiza Spotlight has carefully chosen the best companies to organize boat-parties, which sail from San Antonio and Playa d'en Bossa / Figueretas / Ibiza city. Choose your favorite boat, reserve your ticket and enjoy an outlet to sail in the Mediterranean. Dancing the best themes of summer in the sun, looking at the sea and the beautiful coast of Ibiza, beautiful people around you ... can there be a better party? Yes you can: some of the boats (mainly those departing from San Antonio) sail with a view to the sunset, so you can mark a cross in the box "cruise with sunset" too
